

# Medapati Siva Sankar Rama Reddy

Email: sivareddy683970@gmail.com | Phone: +91 7780648562 | GitHub: <https://github.com/Reddy-py> | Location: Andhra Pradesh, India

## EDUCATION

B.Tech, Computer Science and Engineering — Kalasalingam Academy of Research and Education, Tamil Nadu (2021–2025) | CGPA: 7.2

Intermediate (MPC) — Bhashyam IIIT Junior College, Guntur (2021) | Marks: 914/1000

Secondary Education (10th) — Bhashyam School, Jangareddygudem (2019) | CGPA: 9.5

## SKILLS

Programming: Python, HTML, CSS

Databases: MySQL (Basic)

Tools: GitHub, VS Code

## PROJECTS

Object Detection in Foggy Conditions using Deep Neural Network: Developed a YOLOv8-based model to detect vehicles in low-visibility conditions. Published in IEEE GINOTECH 2025 (Pune Section).

Air Quality Prediction (PM2.5): Built a sensor-based model using PMS7003 to monitor air quality and display results via a web interface.

## PUBLICATIONS

Object Detection in Foggy Conditions using Deep Neural Network — 2025 Global Conference in Emerging Technology (GINOTECH), IEEE Pune Section

## EXPERIENCE

Sales Representative, Maruti Suzuki — Jangareddygudem, West Godavari (Mar 2020 – Sep 2020). Assisted customers with vehicle selection and financing options, handled customer communication, and built client relationships.
